The envelopes we send out cost us \$30/mo. There are 30 people that use envelopes, so that is \$1/person/mo. Most people give exactly the same amount each month with a check and we only have 4 or 5 that use cash. We also get around 12 to 16 loose checks each week in the collection which we have to make copies of for our records. Processing the collection each week takes 3 to 4 people approximately 35 minutes. All these things are eliminated with Online Giving. You can be set up in just a few minutes and change or cancel your donation with just a phone call.

All the flooring is complete! The painter will be coming back to touch up the outlets and other spots that need some paint. Installing all the baseboard molding shouldn't take too long once they get started. The only major work left is resizing the pews for the chapel.

The Income and Expenses for St. Theodore Mission are much simpler. The new stained glass windows were the largest piece of the pie chart the past fiscal year. If we paint the interior of the church and get new carpet, that will likely be the largest expense in the next few months. The Priest Mass Stipends will go up a little this coming year as we are paying \$125/week to Immaculate Conception to help cover the salary and benefits for Fr. Joe and the administrative services provided by him and the accountants. St. Theodore has approximately \$19,000 in the bank and is in very good financial shape as we enter a new fiscal year. If you have any questions, check with Fr. Joe.

We hope you got a chance to check out the Youth Ministry Rummage Sale this Friday and Saturday. They had many tables filled with lots of items that could prove useful to the right person.

## The Eucharist of the Early Christians

Dcn. Paul is recovering well from his stint in the hospital and is getting ready to go back to Texas for a few days to give a presentation that he is scheduled for next weekend. He will be back in time to give our presentation on Saturday, August 17<sup>th</sup>, so we hope you have the date reserved. If all goes well on this presentation we will have him do another one in September just before he heads back to Texas. This presentation is open to anyone that may be interested, so go ahead and invite a friend.
