Make a Holy Moment

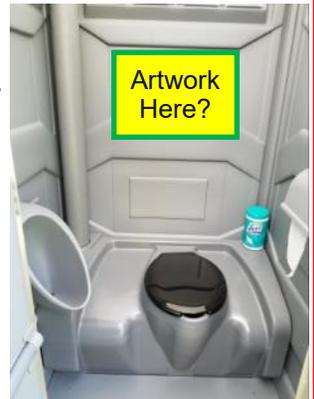

The prayer chain is getting a real workout in these trying times. If you want to get added to the **flocknote** chain so you too can be notified of prayer needs, let Fr. Joe know. Chris Dubay takes care of notifying those that don't have cell phones. To get the prayer chain working for you or your loved ones, call her at 406-310-9329.

It may be a little hard to see, but we have all sorts of new grass coming up in the areas where it was planted. We should be able to remove the burlap next week and will likely have to mow all the new grass. Then it will be time to move on to fix all the other empty patches.

This Sunday we should be able support everyone who wants to attend services at Avon. This means we will not have minimum 6 foot social distancing, so if you are uncomfortable with this, you should remember that the Bishop is still relieving people from the Sunday Mass requirement. You can stay at home and watch livestream Masses or attend IC in Deer Lodge where we will still be enforcing social distancing.

Thanks to Jim Quigley, we have a brand new Porta-Potty at the Avon Church. We will be responsible for maintenance and clean-up. Since it is ours, how about we paint or decorate it a little to make it truly ours. Do we have any artists out there that would like to take this on as a project?

Mike Richards came on Wednesday and mowed and trimmed the South side of the Church as he promised. Looking good!

Mike Doyle came on Thursday and mowed the side hills and near the fence line. He also trimmed around everything in the Peace Park and was caught in action doing one of the trees. Tricia Witt has committed to mowing the two spots near the old Church and Convent.

Luke Hansen was committed by Carlee to come on Friday and mow the dreaded front of the rectory. Fr. Joe finished mowing the all the parts "Moses" could get to. The pesky weeds were a little wilted from the last application of weed spray, so Fr. Joe hit them again with a little stronger dose. If this knocks them down, he will get some topsoil with grass seed going in the spots.

We are still looking to get some frames made? We have two 24" x 36" pictures that need frames before we can hang them up in the hall of the remodeled area. If you can make the frames, give Fr. Joe a call. We are also interested in finding a few more nice pictures.

The Fr. McGurk tree was in full bloom this week and the blossoms have already started to fall off. The tree has grown at least 3 feet in the last few years so it must like the spot where it was planted. The potentillas are starting to bloom around the property. So we should have

lots of yellow and white pretty soon. The rose bushes after being cut back to the nubs have been spreading out over 2-3 feet this past week. Still no buds on any of

Any Green Thumbs out there? The two "Fire Bushes" on either side of the church sign seem to be struggling. We had to replace the one on the left last year, but it wilted up again except for a small sign of life

at the bottom. The one on the right is doing a little better. Mike Richards checked to make sure they are getting water from the irrigation system, so if anyone has any other ideas on what to do, please let us know.

be too long before we have red roses. The mums are getting ready to bust open any day now and a few other

early arrivals have shown up in the other flower circle. If you are out for a walk in the area, stop for a visit and a prayer.

We have had a number of vendors that didn't commit to continuing with having an ad space in the bulletin. Most spaces cost around \$100/yr. If you have a business or know of someone that may be interested in having an ad with us, have them call Fr. Joe to make arrangements. The ad spaces help to pay for the copier annual maintenance contract. Each bulletin costs approximately \$0.20 to print each week for a weekly total of \$20.
