Make a Holy Moment

The prayer chain is getting a real workout in these trying times. If you want to get added to the **flocknote** chain so you too can be notified of prayer needs, let Fr. Joe know. Chris Dubay takes care of notifying those that don't have cell phones. To get the prayer chain working for you or your loved ones, call her at 406-310-9329.

The Bishop has released two additional letters on the pandemic that were included with this bulletin. The short story is that we are still dispensed from attending Sunday services and need to continue to practice safe social distancing and not risk infecting others in any of our activities.

Chimes are now ringing on the quarter hour. We hope people enjoy the chimes and no one is disturbed by their ringing between 8:00 am and 7:00 pm. A special thank you to Rick Kramer for all that he does in keeping the chimes faithfully ringing for us. Hopefully the quarterly hour ringing won't put too much extra wear on them.

The rain and warming weather has put things in full bloom. We should be able to enjoy a couple of months now of colorful blooms, minus the yellow of the dandelions. The battle now will be with the clover, crabgrass and little weeds that seem to pop up in the middle of the gravel. Even with the weed barrier and 3 inches of gravel, the weeds still pop up. They have no roots though and can be easily pulled up. Hopefully when the rains stop and things warm up, it will be harder for the weeds to grow.

With the resurgence of the virus, we need to be extra vigilant in the coming weeks to keep the virus out of our community. We are surrounded on all sides by counties with reported cases and it seems like a little miracle that we have survived this long without any reported cases. We will probably not have as many tourists as a normal year, but there will still be the risk associated with people coming in from states with higher incident rates. If we continue to practice safe social distancing especially with people we don't know and wear masks where appropriate, we should be able to help avoid cases in our community and county. We also need to continue to pray for those suffering with the virus and its after effects and for all the first-responders and health care workers. It may be a long time before this is completely over, so we will need to count on our faith to sustain us.

We printed our first couple of checks with the new system this week. The biggest challenge is figuring out the proper categories to assign to the expenses. The capabilities to do what we need to do are in the system, it is primarily a matter of learning how to do them.

We have had a number of vendors that didn't commit to continuing with having an ad space in the bulletin. Most spaces cost around \$100/yr. If you have a business or know of someone that may be interested in having an ad with us, have them call Fr. Joe to make arrangements. The ad spaces help to pay for the copier annual maintenance contract. Each bulletin costs approximately \$0.20 to print each week for a weekly total of \$20.
