Mass Intentions

We received a bunch of Mass requests that should hold us for a month. Unfortunately we won't be able to give everyone the dates they requested. We process based on a first come first scheduled basis. So be sure to turn in your requests as early as possible and make sure they are as legible as possible so we can honor your wishes. Thank You.

ANNUAL CATHOLIC APPEAL

FUNDING THE MINISTRY OF THE DIOCESE OF HELENA

We got a few more pledges/donations from each parish, so we continue to make progress, albeit slowly. So once again, if you didn't receive a pledge envelope, we have extras in the back of the churches. You can also make online donations through the Diocese of Helena website. If you haven't already done so, please take some time to consider how much you can commit to for the programs of the Annual Catholic Appeal. If you have questions about the programs and how the money is used, let Fr. Joe know. If he can't answer them, he knows people that can and if necessary can even call the Bishop himself. As a matter of stewardship, the suggested amount to donate is only 1% of your annual income. God tells in scripture that he expects 10% to help do God's work in this world. If we do that, God will bless us abundantly.

Church	Goal	So Far	Participation
St. Theodore	\$3,800	\$1,120 29%	5/24 21%
Immaculate Conception	\$28,700	\$14,410 50%	27/105 26%

We've been fortunate the last couple of years to receive grants and gifts from the Bruno A Fichna trust managed by Warner Bair, II. We received a grant from them earlier in the year for \$20,000 to help with our church boiler repair. We are finally getting firm bids from the plumbers and it looks like we will be able to get a replacement boiler and some upgrades for that amount. We won't be able to install new boilers under the new addition of the church because there are too many things that will need to be done and it will cost over \$50,000. We will continue to use the basement space behind the old rectory to house the boilers. We got a bid of \$1,000 to winterize the old rectory draining all the pipes and radiators and putting antifreeze in the drains. That will allow us to turn the heat completely off in the old rectory. The residual heat from the boilers keeping the church warm should be enough to heat the basement space. We just got another gift from the Fichna trust for \$5,000 to use as we see fit. This could pay for the winterization and help pay down our bills at Catholic Mutual and the Diocese.

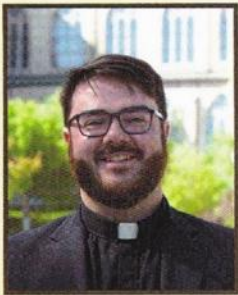

If you want to learn more about our seminarians, you can go to www.diocesehelena.org/vocations/seminarians to see photos as well as video interviews with our three new seminarians who are currently in their Spirituality Year. Let's be sure to pray for all these young men.

Fr. Joe did a crude mock-up of what the church would look like with the new colors and placed it on the North side in the back of the church. According to some who have been here for a while, it seems similar to the colors before the last paint job with the "pink" trim. The one bid we have received for fixing all the cracks and fallen plaster as well as painting everything was \$47,050. This also included swapping out the remaining fluorescent lights and replacing them with LEDs. We are waiting to hear from a benefactor as to what level they would be willing to commit to in supporting the project.

We have had a number of vendors that didn't commit to continuing with having an ad space in the bulletin. Most spaces cost around \$100/yr. If you have a business or know of someone that may be interested in having an ad with us, have them call Fr. Joe to make arrangements. The ad spaces help to pay for the copier annual maintenance contract. Each bulletin costs approximately \$0.20 to print each week for a weekly total of \$20.
