ASH WEDNESDAY

We kick-off Lent each year on Ash Wednesday. It is a day of Fasting and Abstinence which means we should only have one major meal for the day and abstain from eating meat. By denying ourselves these things, it helps put our minds in a penitential attitude as remember all that Jesus suffered for us during his life.

We have also received many requests for Masses to be said for them.

With Lent starting this Wednesday, we have stocked up with the "Little Black Book" Lenten reflections. These contain a short daily reading to help us on our Lenten journey. We also have a number of extra copies of "The Word Among Us" for Lent that will be available in the back of the church. They also have daily reflections as well as the readings for the day. Please help yourself and join with us on our Lenten journey.

Book of the Week. CD of the Week. Looking for something to read during Lent or listen too while you are driving around in your vehicle. Check out these two titles. We are called to be seekers of Wisdom to know God better and what better way than availing ourselves of good materials. There is always more to learn and our Kiosk can be a good source of new material.

Whatever way you want to support our Church, we support. Some people like to have the tangible feel of a paper envelope to place in the collection plate. If you wish to receive envelopes, just let Fr. Joe know and he will get you signed up to receive envelopes on a regular basis. Others like the convenience of automated online giving so they don't need to write a check every week. If you are not sure how to set up Online Giving, just give Fr. Joe a call and he will get you set up in a few minutes over the phone. As always, thank you for your generous ongoing support of our Churches.

As always, thank you for your generous ongoing support of our Churches.

Lent is also the time of year that we break out the Catholic Relief Services (CRS) Rice Bowls for collecting your loose change. Be sure to pick up your Rice Bowl from the back of the church.

We human beings seem to have forgotten that God is God. We also have forgotten that His Ten Commandments were not mere suggestions, but His commands. The Fifth Commandment states 'Thou shalt not kill,' which means the innocent babies in the womb, the elderly and infirm, and all people in between should be protected. No one has the right to kill the babies in the womb, not surgically, nor by abortion-inducing pills dispensed personally or by telemedicine. No earthly being, whether he or she is a doctor, a lawyer, a politician or judge in a courtroom can change God's laws! One day, we will each stand before God to answer for our actions here.
