Disaster Averted!

While "roughing-in" the new pipes for the basement bathroom, the plumbers found a poorly soldered joint that broke open and started flooding the basement. It was amazing that the joint lasted 60 years and didn't break open at some random time. It was really fortuitous that it was discovered while they were working on the basement and could make sure that it didn't happen at some more inopportune time.

The new tabernacle stand and covering have arrived from Montana Correctional Enterprises. Work on the altar area will begin on Monday with all the old carpeting being taken up and the new laminate being installed. It will be a major effort as the raised area of the altar will be reduced and rounded corners will need to be squared off. Meanwhile construction is moving forward in the basement of

the rectory as the electrician is getting all the wiring installed in preparation for sheet rock and painting. It looks like spaghetti hanging down from all the outlets.

SUPPORT

THE CATHOLIC HOME MISSIONS APPEAL

The Catholic Home Mission appeal is this month. We have received a generous grant of over \$3,000 from them every year so let's do what we can to support them. Envelopes are in the back of the church.

Options

clinic

Offering Hope. Building Families.

We are participating in the "Baby Bottle" fundraiser for Options Clinic again this Spring. Pick up a baby bottle from the back of the church and fill it with change or a check to help the Clinic help those faced with hard decisions to make a more informed choice.
