Legendary Lodge is now open for Summer Camp reservations. As in the past, we have scholarships available for families that may need help. Talk to Joan Sewell if you have any questions.

We are waiting on replacement parts for our Degan Chime system. Everything hinges on the accuracy of the motor shown above. It turns the cams that trigger the other elements of the chime system into action. The chimes were either 45 minutes slow or 15 minutes fast this past weekend and we are not sure why. The chimes have been installed for over 80 years now so I guess we should expect some mechanical problems every once in a while. A special thank you to Rick Kraemer who works so diligently at keeping the chimes ringing on time.

The old cooler in the Saint Mary's Center is being removed to make room for a new cooler. We still have to get the coolant removed before we can bring in the new unit. It will be used to support having a wet bar for when the Center is rented out to others.

Preparations are ready for the Journeys this and next weekend. The Saint Mary's Center will be abuzz with activities and the smells of good cooking coming from the kitchen. Please keep all the candidates and those working the weekend in your prayers.
