We have new sinks and mirrors in both bathrooms in the Saint Mary's Center. All the plumbing fixture on the toilets and urinals have also be replaced to fix those that were leaking and give new life to those that were getting to the point of having problems. New soap dispensers will also be added.

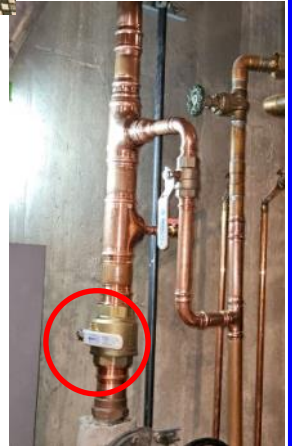

The Knights of Columbus will be meeting on Tuesday, February 20th starting at 6:00 pm with a social, followed at 7:00 with dinner and our meeting at 8:00 pm. Hopefully our cooks will be deep frying something with our new fryer. Also, be sure to check out the bathroom upgrades as well as the boiler room downstairs that has been cleaned up.

We had a little extra excitement on Monday when the plumbers started to replace the sinks. One of the pipes broke and started spewing out over 50 gallons of water

until it could be temporarily plugged. The water for the whole block had to be turned off for 2 hours while the new shut-off valve was installed. In case of a water emergency, the handle in the red circle near the boiler in the basement is the one to turn to the position show on the right, to turn all the water off!
