MONTANA CATHOLIC CONFERENCE

During this election year it is important to stay informed about issues related to our Catholic Faith. The Montana Catholic Conference has an excellent website that provides insights on the issues and provides an easy way to send emails to your legislators at both the state and federal level, to express your concerns. You will be kept up to date on current issues and encouraged to send emails that do make a difference. Signup at www.montanacc.org and become an Advocate.

They fed just over 100 people at the Black Tie Social last Saturday in the SMC and judging by the smiles on the faces, they must have had a good time. The Chef commented on how much he likes our facilities and how good the kitchen is for serving this type of event.

Change for Life

Your generosity empowers us to offer **HELP** and **HOPE** so our patients have the courage they need to choose **LIFE**.

The Baby Bottles will be in the back of the churches and available to take home for a few more weeks.

Catholic Social Services of Montana has launched a free Mental Health Services for Catholics and friends. They have a license Social Worker available to take calls and get people started on a road to healing. Check out their website for details. www.cssmt.org

The KCs all hoisted a glass to toast

Fr. Joe on his 70th BD and 10th year Anniv. with us.

Fr. Joe is asking for your input on what types of improvements, projects, or programs that you would like us to consider taking on in the coming years. Please assign a priority to each program/project below by writing in a number from 1 to 10 (with 10 as the highest) to show your preference for that project to move forward. If you have other things you would like us to work on, just write them in and assign them a priority.

- _____ New Padded Kneelers in the Pews
- _____ New Flooring in the Church
- _____ Paved Parking behind the SMC
- _____ Basketball Court behind the SMC
- _____ Upgraded Chime System
- _____ Remove Old Rectory and Replace with Small Gathering Room/Space
- _____ Change Landscaping to remove steep inclines on North & West sides
- _____ Bathroom & Meeting Area Addition to St. Theodore Mission
- _____ _____
- _____ _____
- _____ _____
- _____ _____

Please pick up one of the above project lists at the back of the Church and take it home to express your priorities for our Churches going forward. Once you fill it out, drop it in the collection plate and the results will be tallied and reported in a few weeks. Thank You!

We purchased some new knives for the SMC kitchen. These are Damascus Steel and very, very sharp, **so be careful** as you use them. Also, don't use them to cut cardboard or on steel surfaces to help keep them sharp.

Please be sure to check your calendars and make sure you have your dates down. Also, please get a substitute for your time slot if you will ben gone.
